

To: Members of the Halfway Creek Congregation

From: HCLC Call Committee

The Congregation received notification from the Vision Board that there is no planned start date for in person worship. We appreciate their commitment to ensuring the health and safety of our congregation. It is still hard not to be together physically in fellowship! During this time, the Call Committee has continued their work in preparing a profile of information about the congregation to include our goals, gifts and how a new pastor can help us achieve our mission. This is where you come in. Since we can't be together in person, the Call Committee is asking for your input on the attached short survey. We would like to invite every member of your household to participate, as a family or as an individual. You are welcome to make copies. Please use the link to complete the survey.

**<https://forms.gle/wnawBPVB3cY6P93FA>**

We also want to give you the opportunity to have a conversation with a member of the call committee. Please email the church office ([assistant@halfwaycreek.com](mailto:assistant@halfwaycreek.com)) or call 608-526-3701 and we will facilitate having a call committee member reach out to you.
